2. Promotion from the register will be authorized by the Director of Personnel in the context of staffing table resources and departmental wishes. The earliest date of promotion from this register will be 1 July 1992. The latest date will be 30 June 1993 bearing in mind that the register year runs from 1 July 1992 to 30 June 1993.

3. Due to the restructuring of the Field Operations Division and the Department of Economic and Social Development, an addendum to the promotion register will be issued at a later date for those offices.

Recourse procedure

4. It should be noted that promotion necessarily depends not only upon a staff member's intrinsic merit and seniority but upon a comparison of his or her overall qualities with those of his or her colleagues in a situation limited by the availability of posts. Although the reviewing authorities make every effort to ensure that a staff member's case for promotion has received full consideration, it is conceivable that the data presented in his or her case may have been incomplete in some significant respect. For this reason, the recourse procedure described below has been established.

5. If a staff member believes that his or her name has been omitted from this promotion register because of incomplete information placed before or available to the Appointment and Promotion Panel, he or she may write to the Chairperson of the Panel, giving grounds for his or her belief. Such recourse letters in twelve copies must be submitted within one month of the publication date of this circular and should be addressed to the Chairperson of Working Group II, Appointment and Promotion Panel, through the Secretary of the Panel, Room S-2560B.

6. Any additional information brought to the attention of a reviewing body by a staff member will be examined with a view to determining whether, had it been known at the time of the initial review, it would have warranted the inclusion of his or her name in the register. If a vacancy has arisen which could have been projected at the time of the promotion review or on which information was not provided to the appointment and promotion bodies, these bodies may take that into account when reviewing recourses. The same holds true in cases where the reviewing body would have recommended the inclusion of a staff member's name on

the register had it not been for the unavailability of a post and a suitable post unexpectedly becomes vacant within the organizational unit concerned prior to completion of the promotion exercise.

7. The attention of staff members is drawn to the fact that recourse is a matter strictly between the staff member and the particular reviewing body. Therefore, only material submitted by a staff member in his or her name and on his or her behalf will be considered. Staff members are also advised that letters of recourse will be included in their official status files.

8. The appointment and promotion bodies will decide what further recommendation, if any, they should make to the Secretary-General on the basis of the recourse letters submitted to them.

INFORMATION CIRCULAR

To: Members of the staff at Headquarters

From: The Controller

Subject: RENEWAL OF THE HEADQUARTERS MEDICAL AND DENTAL INSURANCE PLANS EFFECTIVE 1 JULY 1993, AND ANNUAL ENROLMENT CAMPAIGN, 3-11 JUNE 1993*

General

1. The purpose of the present circular is to announce:

(a) The 1993 medical and dental insurance enrolment campaign;

(b) Changes in the premium rates which will come into effect on 1 July 1993;

(c) An improvement in the level of benefits available for out-patient mental and nervous treatment (see paras. 27 and 28);

(d) The introduction of a pre-certification requirement pertaining to hospital admissions for the treatment of mental, nervous and substance abuse problems;

(e) An annual limit of $1,000 for chiropractic expenses.

2. Premiums, which are shared between the participants and the Organization, have had to be increased in order to meet the projected costs of the plans resulting from the continuing escalation of medical costs at Headquarters. The new premium rates as well as the percentages of salary pertaining to staff members' contributions toward the cost of the various plans are set out in annexes I and II to the present circular.

3. An index to the contents of the present circular is set out on page 86.

Annual enrolment campaign

4. All staff members holding appointments of three months or longer (or six months or longer for dental coverage) under the 100 or 200 series of the Staff Rules, 1/ whose duty station is New York and who are not enrolled in a Headquarters medical/dental insurance plan may enrol during this annual campaign. In addition, those currently enrolled may take the opportunity to review their coverage and change from one plan to another, or change their coverage in respect of the members of their family.

5. The medical and dental plans being offered during the June campaign are:

(a) Blue Cross/Aetna Major Medical (Blue Cross/Aetna);

(b) Blue Cross/WrapAround Plus (WrapAround Plus);

(c) Health Insurance Plan of Greater New York, Health Maintenance Organization (HIP/HMO);

(d) Kaiser Foundation Health Plan of the Northeast, Health Maintenance Organization (Kaiser/HMO);

(e) GHI Dental Plan (GHI).

Any change that may occur in regard to the plans being offered will be announced in an amendment to the present circular.

6. For enrolment purposes, applicants will be required to present proof of eligibility from their respective personnel or administrative officers attesting to their current contractual status. Eligible family members may also be enrolled at this time, provided that evidence of the status (P.5 Personnel Action form) of such family members is presented to the Insurance Section. Interested staff members should carefully review the current status of their family's enrolment, both as to the continued eligibility of children and/or inclusion of those newly eligible or not covered at present.

7. Staff members, particularly those who have no coverage under a United Nations plan or through another family member, are strongly urged to obtain medical insurance coverage for themselves and their eligible family members, especially since the high cost of medical care could result in financial hardship for individuals who become ill and/or are injured and have no such coverage.

8. Staff members are reminded that in the case of a staff member married to another staff member, the insurance coverage, whether at the two-person or family level, must be carried by the higher-salaried staff member.

9. The effective date of insurance coverage for all campaign applications, whether for enrolment, change of plan or change of family coverage, will be 1 July 1993.

/...

Time and place of enrolment

10. The annual enrolment campaign at Headquarters will be held from 3 to 11 June 1993 at the offices of the Insurance Section of the Office of Programme Planning, Budget and Finance, room S-2765, between the hours of 10 a.m. and 5 p.m. STAFF MEMBERS AT HEADQUARTERS MUST COME IN PERSON TO THE INSURANCE SECTION OFFICE TO COMPLETE THE APPLICATION FORM AND OTHER FORMS AS NECESSARY. The staff of the Insurance Section will be available during the designated dates and hours to provide information and answer specific questions regarding the health plans being offered to staff. In addition, representatives of the insurance companies will be on hand on 3, 4 and 7 June to provide information about the various insurance plans offered. The insurance company desks will be located in the staff activities area near the Secretariat cafeteria entrance.

11. Staff members are reminded that, except as provided in paragraphs 12 and 16 below, this will be the ONLY opportunity until June 1994 to enrol in the United Nations medical and dental insurance plans. This is also an opportunity to review current medical insurance coverages within or outside the Organization and either enrol in one of the United Nations plans or apply for changes within these plans, as may be necessary or desirable. Staff members who are satisfied with their coverage do not need to take any action at this time.

Enrolment between annual campaigns

12. Between annual campaigns, staff members and their family members may be allowed to enrol in the Headquarters medical and dental insurance plans ONLY if at least one of the following events occurs and application for enrolment is made within 31 days thereafter:

(a) In respect of medical insurance coverage, upon receipt of an initial appointment of at least three months' duration at Headquarters under the 100 or 200 series of the Staff Rules;

(b) In respect of dental insurance coverage, upon receipt of an initial appointment of at least six months' duration at Headquarters under the 100 or 200 series of the Staff Rules;

(c) Upon transfer to Headquarters from another duty station;

(d) Upon return from special leave without pay, but only under the health scheme in which insured prior to taking leave (see para. 15 below);

(e) Upon assignment to a mission, under certain conditions (see para. 16 below); and/or

(f) Upon marriage, birth or legal adoption of a child for coverage of the related family member.

Staff members who can demonstrate that they were on mission or annual or sick leave for the entire duration of the annual campaign may enrol within 31 days of their return to Headquarters.

13. In all cases, the completed application for enrolment or re-enrolment must be certified by the appropriate personnel or administrative officer and received by the Insurance Section within 31 days of the occurrence of the event giving rise to entitlement to enrol. Applications and inquiries with regard to changes relating to such events occurring between campaigns should be directed to the Insurance Section as follows:

Insurance Section
Office of Programme Planning, Budget and Finance
Room S-2765
United Nations Headquarters
New York, NY 10017

14. Applications between enrolment campaigns based on any other circumstances or not received within the 31 days of the event giving rise to eligibility will not be receivable by the Insurance Section and will be returned. In this regard, it should be noted that termination of health insurance coverage under a scheme not offered by the United Nations will in no case give rise to any right on the part of a staff member or family member to immediate enrolment in a United Nations plan. If such termination occurs between annual enrolment campaigns, the staff member must wait until the next campaign to enrol in a United Nations plan. Staff members who for any reason may be uncertain about the continuity of their outside coverage are urged to consider enrolling in a United Nations scheme during the present campaign.

Staff on special leave without pay

15. Staff members who are granted special leave without pay are reminded that they may retain coverage for medical and dental insurance during such periods or may elect to discontinue such coverage for the period of the special leave:

(a) Insurance coverage maintained during special leave without pay. If the staff member decides to retain coverage during the period of special leave without pay, the Insurance Section MUST be informed directly by the staff member of his or her intention at least one month in advance of the commencement of the special leave, in person if at Headquarters, or in writing if stationed away from Headquarters. At that time, the Insurance Section will require evidence of the approval of the special leave, together with payment covering the full amount of the cost of the coverage(s) retained (both the staff member's contribution as well as the Organization's share, since no subsidy is payable during such leave);

(b) Insurance dropped while on special leave without pay. Should a staff member decide not to retain insurance coverage(s) while on special leave without pay, no action is required upon commencement of the special leave;

(c) Re-enrolment upon return to duty following special leave without pay. Regardless of whether a staff member has decided to retain or drop insurance coverage(s) during a period of special leave without pay, it is essential that he or she re-enrol in the plan(s) with the Insurance Section upon return to duty, in person if at Headquarters, or in writing if away from Headquarters. This must be done within 31 DAYS OF RETURN TO DUTY. Failure to do so will mean that the staff member will be unable to resume participation in the insurance plan(s) until the following annual enrolment campaign in the month of June.

Staff members assigned on mission

16. In view of the large number of staff members who will go on mission assignment, it has been decided to extend a special medical/dental plan enrolment opportunity to such staff members. The provisions in this respect, which will apply to all staff members going on mission for six months or more, are as follows:

(a) Staff members who at present are not enrolled in any United Nations health insurance plan will be allowed to enrol themselves and eligible family members. The insurance will become effective on the first day of the month in which the mission assignment commences. Enrolment in a health insurance plan in these circumstances must be completed prior to the departure of the staff member on mission assignment;

(b) Staff members assigned to a mission who are enrolled in either HIP or Kaiser, two plans which do not offer full services at locations away from Headquarters, may switch to either Blue Cross/Aetna or Blue Cross/WrapAround Plus. These two plans provide benefits on a world-wide basis, though in the case of Blue Cross/WrapAround Plus, there are no participating providers outside the Headquarters area. Enrolment in the Blue Cross/Aetna or Blue Cross/WrapAround Plus plans under this provision must be completed prior to the departure of the staff member on mission assignment;

(c) Staff members who, at the time of commencement of the mission assignment, do not have GHI Dental coverage but who are already enrolled, together with eligible family members, in Blue Cross/Aetna or Blue Cross/WrapAround Plus may enrol themselves and family members covered under their medical insurance plan in the dental plan. Such enrolment must be completed prior to the departure of the staff member on mission assignment;

(d) Staff members who elect to enrol in a health insurance plan in the circumstances provided under (a) to (c) above forego the right to make any further change during the annual enrolment campaign taking place in the same calendar year as the commencement of the mission assignment. The next opportunity for these staff members to make any change in their insurance coverage will be at the time of the annual enrolment campaign of the following year;

(e) Staff members who are already enrolled in Blue Cross/Aetna or Blue Cross/WrapAround Plus at the time of the mission assignment must retain their existing coverage until the next annual enrolment campaign;

(f) Staff members who will be on mission assignment for a year or more and who will not have eligible covered family members residing in the United States for the duration of the mission assignment may opt for coverage under the Van Breda Medical, Hospital and Dental Insurance plan for staff overseas. Details of this plan are available in the offices of the Insurance Section, room S-2765;

(g) Staff members returning to Headquarters from mission assignment, other than those who qualified and opted for the Van Breda plan, may not change their insurance coverage until the next annual enrolment campaign. Staff members who switched to the Van Breda plan, as provided under subparagraph (f) above, must revert, upon return to Headquarters, to the insurance plan which they had prior to the mission assignment at least until the next annual enrolment campaign. It is essential that such staff members advise the Insurance Section within 31 days of their return to Headquarters.

IN ALL CASES, STAFF MEMBERS GOING ON MISSION ASSIGNMENT WHO WISH TO ENROL IN A HEALTH INSURANCE PLAN OR CHANGE THEIR PRESENT COVERAGE, AS PROVIDED ABOVE, MUST PRESENT EVIDENCE TO THE INSURANCE SECTION OF THE MISSION ASSIGNMENT AND ITS DURATION.

Cessation of coverage of family members

17. The Insurance Section should be notified immediately of changes in the staff member's family which result in a family member ceasing to be eligible, e.g., a spouse upon divorce or a child reaching the age of 25 years, marrying or taking up full-time employment. The responsibility for initiating the resulting change in coverage (e.g. from "staff member and spouse" to "staff member only" or from "family" to "staff member and spouse") rests with the staff member. Staff members who wish to discontinue coverage of a family member under a United Nations plan for any other reason may do so at any time, although this is strongly discouraged. Such deletions of family members from coverage should be communicated to the Insurance Section directly. It is in the interest of staff members to notify the Insurance Section promptly whenever changes in coverage occur in order to benefit from any reduction in premium contribution which may result. Any such change will be implemented on the first of the month following receipt of notification. No retroactive adjustments can be made as a result of failure to provide timely notification of any change to the Insurance Section.

After-service health insurance

18. Staff members are reminded that, among the eligibility requirements for after-service health insurance coverage, is that staff members must be enrolled in a United Nations scheme at the time of separation from service. A minimum of five years of prior coverage in a United Nations or specialized

agency health insurance scheme is necessary to qualify for unsubsidized after-service health insurance participation and 10 years of prior coverage for subsidized participation. In both cases, the staff member must be 55 years of age or over as of the date of separation. Full details on the eligibility requirements for after-service health insurance coverage are given in the relevant administrative instructions. 2/ It should also be noted that only family members enrolled with the staff member at the time of separation are eligible for continued coverage under the after-service health insurance programme.

19. After-service participants are also reminded that the restriction set out in paragraph 11 above, to the effect that staff members may switch from one insurance plan to another only during the period of the annual enrolment campaign, does not apply fully to them. As provided in administrative instruction ST/AI/172, an after-service participant may transfer from one United Nations health insurance scheme to another at any time, provided that the Insurance Section receives three months' written notice to enable the adjustment to be effected. This privilege is limited to transfers between medical plans (for example, from the Headquarters Blue Cross/Aetna plan to the Van Breda plan or other United Nations plan, should there be a change in residence within the United States or to another country).

Conversion privilege

20. Participants who cease employment with the United Nations and are not eligible for after-service benefits may arrange for medical coverage under an individual contract. This provision applies to all plans currently offered. The conversion privilege, which is part of the United Nations group contracts with the respective insurance companies, means that the insurer cannot refuse to insure an applicant, and that no certification of medical eligibility is required. THE CONVERSION PRIVILEGE, HOWEVER, DOES NOT MEAN THAT THE SAME INSURANCE PREMIUM RATES OR SCHEDULE OF BENEFITS IN EFFECT FOR THE UNITED NATIONS GROUP POLICY WILL BE OFFERED IN RESPECT OF INDIVIDUAL INSURANCE CONTRACTS. It should be noted, moreover, that the conversion privilege may be exercised only for separating staff who will continue to reside in the United States as the insurers cannot write individual policies for persons residing abroad. In all cases, the conversion privilege must be exercised WITHIN 31 DAYS OF THE DATE OF SEPARATION. Details concerning conversion to individual policies under Aetna, Blue Cross and Blue Cross WrapAround Plus may be obtained from the Insurance Section, room S-2765. Details concerning conversion to individual policies under HIP, Kaiser and GHI Dental should be obtained from those companies directly.

Where to address claims and benefit inquiries

21. Although the staff of the Insurance Section is available to assist staff members in administrative matters concerning participation in the various Headquarters insurance plans, claims questions should always be taken up in the first instance directly with the insurance company concerned. The addresses and relevant telephone numbers of the insurance companies are listed in annex XIII to the present circular.

22. Staff members are reminded that the plan descriptions set out in annexes III to IX constitute summaries of the benefits available under the respective plans. Every care has been taken to ensure that the plan summaries are as comprehensive as possible. However, in the event of a claim dispute with any of the insurance carriers concerned, the resolution of such dispute will be guided by the terms and conditions of the respective policy contract and the final decision will rest with the insurance carrier concerned, not with the United Nations. The contracts with the insurance carriers are available for review by subscribers, as may be necessary, at the offices of the Insurance Section, room S-2765, by appointment.

Insurance plans: benefit and premium changes

23. As of 1 July 1993, there will be four medical/hospitalization plans and one dental plan available to United Nations staff at Headquarters. They are described below. The salient features of the changes to the Blue Cross/Aetna plan are set out in paragraphs 26 to 28. The Blue Cross/WrapAround Plus, HIP/HMO, Kaiser/HMO and GHI Dental plans will undergo no benefit changes for the policy period 1 July 1993 to 30 June 1994. The characteristics of these schemes are described, respectively, in paragraphs 33 to 43.

24. The United Nations policies with Blue Cross, Aetna and GHI are "experience-rated". This means that the premium cost each year of the Blue Cross/Aetna, Blue Cross/WrapAround Plus and GHI Dental plans is based on the level of claims incurred in the prior year and expected rates of utilization and medical cost inflation for the renewal period. In effect, the costs of these plans (claims incurred plus administrative expenses) are borne collectively by participants in these schemes. In a year following a period of heavy utilization, premium increases are likely to be relatively high. Conversely, if utilization in the prior year has been relatively moderate, the premium increase in the subsequent year will be correspondingly moderate. For these reasons, the premium increases which must be met in connection with the renewal of the Blue Cross/Aetna, Blue Cross/WrapAround Plus and GHI Dental plans vary considerably, ranging from approximately 7.7 per cent for Blue Cross/Aetna to 21 per cent for GHI. The two health maintenance organization (HMO) plans, HIP and Kaiser, are "community rated". This means the premium costs are based on the combined experience of all employers participating in these schemes, not just the United Nations, and are approved by the relevant state insurance authorities. The rate increases for these two plans average approximately 8.9 per cent and 6.7 per cent respectively. It should be emphasized, particularly with respect to the three experience-rated plans, that prudent utilization by all participants concerned will have the effect of moderating premium costs for the benefit of all.

Blue Cross/Aetna Major Medical Plan (Blue Cross/Aetna)

25. The Blue Cross/Aetna Major Medical (Blue Cross/Aetna) insurance plan is a full-indemnity plan that offers world-wide coverage for hospitalization (through Blue Cross), and surgical, medical and prescription drug expenses

(through Aetna). Under the Blue Cross/Aetna plan, medically necessary treatment for a covered illness or injury may be obtained at a hospital or from a physician of one's own choosing. Hospital costs for semi-private accommodation are covered in full under Blue Cross. Under the Aetna component, expenses for hospitalization not otherwise covered by Blue Cross (except as provided in paragraph 27 below), surgical and medical treatment and prescription drugs are reimbursed at 80 per cent, after meeting an annual deductible of $125 per individual or $375 per family. When a participant has met the annual deductible and a further $1,000 in co-payment (20 per cent of $5,000 of recognized expenses), Aetna will reimburse all further claims incurred in the year, subject to the "reasonable and customary" provision, at 100 per cent. The deductible and co-payment requirement must be met each calendar year. There is no lifetime reimbursement limit under the Blue Cross/Aetna plan. Summaries of the benefits of the Blue Cross and Aetna components of the Blue Cross/Aetna plan are set out in annexes III (part A) and IV to the present circular, respectively.

Premium

26. The monthly premium for the Blue Cross/Aetna plan will increase by approximately 7.7 per cent for the rate renewal period commencing 1 July 1993. The new premiums are shown in column (1) of annex I to the present circular. The percentages of salary contribution by staff members required to cover the increases are shown in column (1) of annex II to the present circular.

Benefits

27. The renewal of the Blue Cross/Aetna plan for the 12-month period commencing 1 July 1993 includes a restructuring of the package of benefits available for the treatment of mental and nervous and substance abuse problems. With effect from 1 July 1993, all in-patient hospital and out-patient benefits relating to the treatment of mental and nervous and substance abuse problems will be integrated under the Aetna component of the plan. Thus, the following benefits, heretofore provided by Blue Cross, will, effective 1 July 1993, be provided by Aetna:

- The full cost of 30 days of hospitalization for mental and nervous disorders (no deductible or co-payment will apply);

- The full cost of 30 days of hospitalization for substance (alcohol and/or drug) abuse detoxification and rehabilitation, limited to two 30-day periods in a lifetime (no deductible or co-payment will apply);

- Sixty out-patient visits per calendar year for each covered person for the diagnosis and treatment of substance (alcohol and/or drug) abuse, of which 20 visits are available for counselling for covered family members of the period with the alcohol or substance abuse problem.

It should be emphasized that the shift of these three benefits from Blue Cross to Aetna entails no reduction in the overall level of benefits for the treatment of mental and nervous and substance abuse disorders. By integrating these benefits under the Aetna component, it is expected that there will be a more efficient and effective utilization of these benefits, making possible at the same time an enhancement of the benefits for the out-patient treatment of mental and nervous and substance abuse disorders. These changes are reflected in annexes III and IV.

28. In addition, with a view to maximizing the effectiveness of the plan's in-patient mental and nervous and substance abuse benefits, an Aetna programme, called Focused Psychiatric Review (FPR), will be introduced with effect from 1 July 1993. This programme as well as the other benefit modifications are described below.

(a) Focused Psychiatric Review (FPR). Under the FPR programme, Aetna reviews a covered individual's recommended hospital admission for the treatment of a mental and nervous or substance abuse problem. As appropriate, FPR specialists may work with the attending physician in identifying possible alternatives to in-patient hospitalization as appropriate for the treatment and care of the patient. The key feature of FPR is the requirement that any mental and nervous or substance abuse hospitalization must be pre-certified by Aetna. STAFF MEMBERS ARE ASSURED THAT THE FPR PROGRAMME IS CONDUCTED IN THE STRICTEST CONFIDENCE. The procedure is as follows:

- Prior to a non-emergency hospital admission, Aetna must be informed of the intended admission. This is accomplished by placing a telephone call to a toll-free Aetna number (1-800-445-5299). This call will be taken by a member of the Aetna FPR team. The telephone call may be placed by the subscriber himself or herself, the attending physician, a family member or any other person acting for the patient to be hospitalized.

- The initial information required by Aetna in order to pre-certify the admission includes the subscriber's identification number (payroll index number), the reason for the admission, the physician's name, address and telephone number, the hospital name, address and telephone number and the scheduled admission date.

- The FPR specialist then contacts the attending physician to review the information prior to certification of the admission. If the attending physician makes the original call to the 800 number, this step will be accomplished at that time. The FPR specialist certifies a certain number of in-patient days, if appropriate, and develops a plan of regular follow-up with the attending physician. Failure to pre-certify an in-patient admission for mental and nervous or substance abuse treatment will result in a $400 reduction of the benefit amount paid.

- An emergency admission, which cannot be pre-certified before the confinement begins, must be called in to the Aetna FPR number within 48 hours of the emergency admission.

(b) Out-patient treatment. Under the Aetna component, the maximum recognized charge per visit per year to a medical doctor engaged in the practice of psychiatry (and, depending on the state in which the provider is licensed, for the services of a psychologist and psychiatric social worker) is raised from $60 to $80, reimbursable at 80 per cent, i.e., $64. The annual maximum is raised from $2,400 to $3,200 (50 visits x $64 = $3,200). As heretofore, provider fees exceeding the $80-per-visit rate will be borne by the participant.

(c) Chiropractic treatment. Effective 1 July 1993, there will be a $1,000 calendar year maximum per covered expenses for spinal disorder treatment.

Blue Cross - International participating hospitals

29. A list of hospitals outside the United States that accept the Blue Cross card for necessary IN-PATIENT hospital care is set out in annex XII to the present circular. In most cases, the hospital will bill Blue Cross directly for covered expenses.

Mandatory second surgical opinion

30. Staff members are reminded that reimbursement in respect of 16 surgical procedures performed on a non-emergency basis requires a second surgical opinion and that failure to provide a second opinion, which must be furnished by a physician not associated or in practice with the physician who originally recommended and proposed to perform the surgery, WILL RESULT IN A REDUCTION OF THE REIMBURSEMENT FOR THE SURGERY BY 50 PER CENT. STAFF MEMBERS ARE URGED ONCE AGAIN TO TAKE NOTE OF THIS REQUIREMENT. A complete listing of the surgical procedures subject to mandatory second opinion is provided in annex IV to the present circular.

Aetna claims

31. The address to which Aetna claim forms should be sent is as follows:

Aetna Life Insurance Company
Unit 41
3541 Winchester Road
Allentown, PA 18195-0513

The customer service number for New York City area residents continues to be (212) 567-6969. The customer service number for non-New York City residents is (215) 391-1617. AS THE PLAN INCURS A SERVICE CHARGE FOR EACH CLAIM SUBMITTED, PARTICIPANTS ARE URGED NOT TO FILE CLAIMS WITH AETNA UNTIL ONE CLAIM OR A GROUP OF CLAIMS EQUALS OR EXCEEDS THE APPLICABLE ANNUAL DEDUCTIBLE.

Access America

32. Blue Cross/Aetna subscribers are reminded of the existence of an additional benefit within the Blue Cross component called Access America. This facility provides an international travellers' 24-hour hotline assistance programme for obtaining medical care abroad, or within the United States, when at least 100 miles from one's normal place of residence. Participants who call the hotline numbers below will, where possible, be provided with referrals from a world-wide network of physicians, dentists, hospitals, pharmacies and other medical facilities. In addition, in most cases, Access America will settle the costs of EMERGENCY foreign hospital admission and treatment. If the emergency hospitalization occurs in the United States and the hospital does not accept the Blue Cross card, Access America will also settle the related costs directly with the hospital. In either case, it will then claim reimbursement directly from Blue Cross. In the case of hospitalization, Access America medical staff will contact the insured patient's local physician in order to monitor the case and services being received. In the event of an emergency hospitalization in the circumstances described above, it is important that Access America be contacted upon admission to the hospital or, at the latest, before discharge. It should also be emphasized that any hospital bill paid by the participant must be sent to Blue Cross for reimbursement, as Access America does not reimburse participants directly.

The hotline numbers are:

1-800-654-1901 - (in the United States, Canada, Puerto Rico and the Virgin Islands)

(804) 673-1159 - collect (from Alaska, Washington, D.C., and all other locations), or

Telex No. 706305 ACCESS WSH (from all locations)

When contacting Access America, be sure to identify yourself as a United Nations participant. Your Access America identification number is as follows:

Blue Cross/WrapAround Plus Plan (WrapAround Plus)

33. The WrapAround Plus plan is a hybrid scheme blending some of the features of a health maintenance organization (HMO) (such as HIP) with some of the features of a full indemnity plan (such as Blue Cross/Aetna). The plan provides the participant with the possibility of selecting a physician from an extensive listing of participating WrapAround Plus practitioners covering most medical specialities, in which case the only charge to the participant is $10. On the other hand, the participant may equally be treated by a physician who is not a participating practitioner in the plan. Medical services

rendered by non-participating providers (whether physicians or otherwise) will be reimbursed subject to a deductible and 20 per cent co-payment. The deductible and 20 per cent co-payment requirement must be met each calendar year. The hospitalization component of the WrapAround Plus plan is provided by Blue Cross and is described in annex III (parts A and B) to the present circular. An outline of the medical benefits of this plan is provided in annex V to the present circular. The premiums and percentages of salary contributions by staff members applicable as of 1 July 1993 are shown in column (2) of annex I to the present circular and column (2) of annex II to the present circular, respectively.

Premium

34. Owing to extensive utilization of the WrapAround Plus plan last year, the cost of the plan will rise by 15 per cent in the renewal period commencing 1 July 1993. This increase, though lower than the increase which had to be implemented last year, is equivalent to the average annual increase in the cost of the WrapAround Plus plan over the last three years.

Benefits

35. The benefits structure of the Blue Cross/WrapAround Plus plan will remain unchanged for the policy period 1 July 1993 to 30 June 1994. It is important for WrapAround Plus subscribers to note that the integration of the Blue Cross hospitalization benefits relating to the treatment of mental and nervous and substance abuse problems under the Aetna Major Medical plan, described in paragraphs 27 and 28 above, does not affect the Blue Cross hospitalization benefits available under the WrapAround Plus plan. Thus, for WrapAround Plus subscribers, Blue Cross will continue to provide benefits covering:

- The full cost of 30 days of hospitalization for mental and nervous disorders;

- The full cost of 30 days of hospitalization for substance (alcohol and/or drug) abuse detoxification and rehabilitation, limited to two 30-day periods in a lifetime;

- Sixty out-patient visits per calendar year for each covered person for the diagnosis and treatment of substance (alcohol and/or drug) abuse, of which 20 visits are available for counselling for covered family members of the period with the alcohol or substance abuse problem.

Participating providers

36. A network of physicians covering New York City and the New York metropolitan area participate in WrapAround Plus and accept as payment a fee schedule arranged with Blue Cross. No deductible has to be met, but instead the participant pays a $10 co-payment for each visit. If, however, a participating physician refers a patient to, or engages the services of,

another provider who is non-participating, the deductible and 20 per cent co-payment will apply in connection with reimbursement of the cost of the services rendered by the non-participating provider.

Participating diagnostic laboratories

37. A number of diagnostic laboratories are participating providers under WrapAround Plus. When any laboratory tests are required, it is important that the physician be told to direct the tests to a participating laboratory, if possible. If this is done, the cost of the laboratory test will be paid in full and will not be subject to the normal deductible and co-payment.

List of participating providers

38. A partial list of participating providers located in the boroughs of Manhattan, Queens and Brooklyn is set out, by specialty, in annex XI to the present circular. The full list of WrapAround Plus providers, covering the entire metropolitan area, is too large to reproduce in the circular. Copies of the full directory are available to Headquarters staff for consultation at the offices of the United Nations Insurance Section; the Division of Personnel, United Nations Development Programme (UNDP); and the Office of Personnel, United Nations Children's Fund (UNICEF). It is recommended that subscribers to WrapAround Plus consult the directory and contact the Blue Cross referral service at 1-800-435-1385 for updates to the list.

Non-participating provider utilization

39. Should the participant choose to be attended to by a non-participating provider or be referred by a participating physician to a non-participating provider, WrapAround Plus will pay 80 per cent of the reasonable and customary charge after the participant has met a $150 deductible per individual/$450 per family. It should be noted that, with few exceptions, the following providers and medical services fall under the non-participating category and are subject to the deductible and co-payment:

(a) Diagnostic laboratory and X-ray examinations;

(b) X-ray, radium and radioactive isotope therapy;

(c) Anaesthesia and oxygen;

(d) Assistant surgeons assisting a primary surgeon;

(e) Physical therapy, physical medicine or rehabilitation;

(f) Chiropractic services (limit of 20 visits).

After $900 of unreimbursed reasonable and customary medical expenses have been paid by the participant in a given year, further expenses will be reimbursed in full (100 per cent in lieu of 80 per cent).

Access America

40. Blue Cross WrapAround Plus subscribers also benefit from the Access America facility, which is described in paragraph 32 above.

Health Insurance Plan/Health Maintenance Organization (HIP/HMO)

41. This plan follows the concept of total prepaid group practice hospital and medical care, i.e., there is no out-of-pocket cost to the staff member for covered services at numerous participating medical groups in the Greater New York area, including New Jersey and certain areas in Florida. The costs of necessary emergency treatment obtained outside the covered area are included in the plan coverage. Additionally, prescription drugs and medical appliances are covered in full when obtained through HIP/HMO participating pharmacies and are prescribed by HIP/HMO physicians, or any physician in a covered emergency. Details of the HIP/HMO plan are outlined in annex VII. The premiums and percentages of salary contributions by staff applicable as of 1 July 1993 are shown in column (3) of annex I and column (3) of annex II to the present circular respectively.

Kaiser Foundation Health Plan of the Northeast (Kaiser/HMO)

42. The Kaiser Foundation Health Plan is an HMO, providing all medical-related services at any one of four health centre locations, accessible to staff members residing in northern Bronx, Westchester County and southern Connecticut as well as hospitalization when authorized by a Kaiser physician. Kaiser health centres accommodate not only physicians' offices but also laboratory, X-ray, pharmacy and mental health services. The costs of necessary emergency treatment obtained outside the covered area are included in the plan coverage. There is no ceiling on the use of authorized services, no deductibles to cover and no insurance forms to complete. The plan coverage emphasizes early detection of medical problems before they become major illnesses. An outline of the benefits of this plan is provided in annex VIII to the present circular. The premiums and percentages of staff contributions applicable as of 1 July 1993 are shown in column (4) of annex I and in column (4) of annex II to the present circular, respectively.

GHI Dental Plan

43. With effect from 1 July 1992, the benefits under the GHI Dental plan were increased. The new plan introduced last year, called the "Preferred" plan, included significant increases in the benefits relating to periodontics, prosthetics, X-rays, composites, crowns and orthodontics. The benefits structure of the plan will remain the same in the 12-month period commencing 1 July 1993. While the schedule of benefits available under the GHI "Preferred" plan may be utilized to offset the costs of dental services provided by independent (fee-for-service) practitioners, staff members are encouraged to make maximum use of the dental practitioners who participate in

the GHI Dental Plan. In order that participants may have readier access to the names and specialties of such providers in the New York area, the relevant sections of the Directory of Participating Dentists are reproduced in annex X to the present circular. The full directory, which includes the names, addresses and telephone numbers of providers in locations outside the New York metropolitan area, is available at the offices of the Insurance Section, room S-2765. The premiums applicable as of 1 July 1993 are shown in column (5) of annex I. The percentages of staff contributions applicable as of 1 July 1993 are set out in columns (5) and (6) of annex II to the present circular.

Notes

1/ The medical scheme applicable to staff at Headquarters appointed for less than three months or under the 300 series of the Staff Rules is described in information circular ST/IC/86/44 of 15 September 1986.

2/ ST/AI/172, ST/AI/172/Amend.2 and 3 and ST/AI/172/Add.2.

This benefit is subject to the normal deductible and co-payment provisions of the Aetna plan.

- Direct supervision by a doctor;
- Registered professional nurses on duty 24 hours a day;

Annex IV

AETNA MAJOR MEDICAL INSURANCE COMPONENT

Expenses for medically necessary services and supplies listed under A and B below will be reimbursed at 80 per cent after the application of a calendar-year deductible of $125 per person or $375 per family, provided that such expenses fall within the REASONABLE AND CUSTOMARY fee levels established by the insurer for the related medical service or procedure in the area of the doctor's place of business. In any calendar year, after an insured person's total unreimbursed expenses reach $1,000 (and after satisfying the deductible), covered expenses for that person will be reimbursed in full for the rest of that year.

A. Hospital expenses incurred after exceeding Blue Cross coverage maxima listed in annex III, part A, are covered by the Aetna Major Medical component. Covered expenses include charges for semi-private hospital room, board, general nursing care, X-ray and laboratory examination, etc.

B. Other covered medical expenses include:

1. The services of a legally qualified physician

2. The services of a private duty registered nurse (RN) other than a nurse who ordinarily resides in the staff member's home or who is a member of the staff member's family or his or her spouse's family. Private nursing services in a hospital are not generally considered necessary unless they are in lieu of intensive care or critical care unit nursing services. The circumstances under which private nursing charges are payable are very rare. If your physician recommends such treatment, please contact the Aetna claim office for guidance

3. Drugs and medicines obtainable only on a prescription of a legally qualified physician

4. Diagnostic laboratory and X-ray examinations

5. X-ray, radium and radioactive isotope therapy

6. Anaesthetics and oxygen

7. Rental of durable medical or surgical equipment

8. Artificial limbs and artificial eyes (eye examinations, eyeglasses and hearing aids are excluded)

9. Professional ambulance service when used to transport the individual from the place of injury resulting from an accident or where stricken by a disease to the first hospital where treatment is given. No other charges in connection with travel will be covered

10. A maximum of 50 out-patient visits per year to a medical doctor engaged in the practice of psychiatry (and, depending on the state in which the provider is licensed, for the services of a psychologist and psychiatric social worker). The maximum recognized charge per visit will be $80, reimbursable at 80 per cent, i.e., $64, with an annual maximum not to exceed $3,200 (50 visits x $64 = $3,200). Provider fees exceeding the $80-per-visit rate will be borne by the participant

11. Spinal disorder treatment (chiropractic services) subject to a $1,000 calendar year reimbursement limit

12. The cost of up to two blood tests per covered person per year for the HIV virus

13. Hearing-aids and optical lenses, subject to certain conditions. For details, see annex VI to the present circular

14. Coverage for the reasonable and customary charges for mammograms without any age or frequency limits once the annual deductible has been met

15. Coverage for up to 30 days of hospitalization for substance (alcohol and/or drug) abuse rehabilitation after the 30-day hospitalization benefit described in part C below has been exhausted. This benefit is available twice in a lifetime and is applicable only as a continuation of each of the two 30-day hospitalization periods provided under C (2) below

16. Sixty out-patient visits per calendar year for the treatment of alcoholism or drug abuse diagnosed by a physician. Of these 60 annual visits, 20 may be utilized for the counselling of the patient's family if directly related to the patient's alcoholism or drug abuse

C. The benefits set out under (1) and (2) below, heretofore provided by Blue Cross, will, effective 1 July 1993, be provided by Aetna:

1. The full cost (semi-private accommodation) of 30 days of hospitalization for the treatment of mental and nervous disorders. Hospital confinements beyond 30 days are reimbursed subject to the normal deductible and co-payment provisions.

2. The full cost (semi-private accommodation) of 30 days of hospitalization for substance (alcohol and/or drug) abuse detoxification and rehabilitation, limited to two 30-day benefit periods in a lifetime. Continuous confinement of up to 30 days beyond this 30-day limit is subject to the provision under (B) (15) above.

D. All hospitalization for mental and nervous and substance abuse conditions is subject to the Focused Psychiatric Review (FPR) procedure. STAFF MEMBERS ARE ASSURED THAT THE FPR PROGRAMME IS CONDUCTED IN THE STRICTEST CONFIDENCE. The procedure is as follows:

- Prior to a non-emergency hospital admission, Aetna must be informed of the intended admission. This is accomplished by placing a telephone call to a toll free Aetna number (1-800-445-5299). This call will be taken by a member of the Aetna FPR team. The telephone call may be placed by the subscriber himself or herself, the attending physician, a family member, or any other person acting for the patient to be hospitalized.

- The initial information required by Aetna in order to pre-certify the admission includes the subscriber's identification number (payroll index number), the reason for the admission, the physician's name, address and telephone number, the hospital name, address and telephone number and the schedule admission date.

- The FPR specialist then contacts the attending physician to review the information prior to certification of the admission. If the attending physician makes the original call to the 800 number, this step will be accomplished at that time. The FPR specialist certifies a certain number of in-patient days, if appropriate, and develops a plan of regular follow-up visits with the attending physician. Failure to pre-certify an in-patient admission for mental and nervous or substance abuse treatment will result in a $400 reduction of the benefit amount paid.

- An emergency admission, which cannot be pre-certified before the confinement begins, must be called in to the Aetna FPR number within 48 hours of the emergency admission.

E. Other provisions:

1. The following surgical procedures require a second medical opinion. Reimbursement will be made for second surgical opinion consultation expenses at 100 per cent after the deductible of $125 per person or $375 per family has been met. Failure to provide a second opinion, which must be furnished by a physician not associated or in practice with the physician who originally recommended and proposed to perform the surgery, will result in a reduction of the reimbursement for the surgery by 50 per cent.

	Procedure	Explanation
-	Bunionectomy	Removal of bunions
-	Cholecystectomy	Removal of gall bladder
-	Dilation and curettage	Dilation of cervix and scraping of uterus

4. Certain expenses are not covered under the Aetna plan. These comprise expenses for services or supplies not deemed by Aetna as being necessary, reasonable and customary, or not recommended by the attending physician.

/...

The request for review must be submitted in writing within 60 days of receipt of the notice. The subscriber should include the reasons for requesting the review and submit the request to the Aetna Allentown Claim Office. Aetna will review the claim and ordinarily notify the subscriber of its final decision within 60 days of receipt of the request. If special circumstances require an extension of time, notification will be given to that effect.

6. Subscribers should note that claims for reimbursement must be submitted to Aetna no later than two years from the date on which the medical expense was incurred. Claims received by Aetna later than two years after the date on which the expense was incurred will not be eligible for reimbursement.

Annex V

The benefits under this arrangement include:

2. If Blue Cross denies a claim in whole or in part, the subscriber has the right to appeal the decision. Blue Cross will send written notice of the reason for the denial. HEARING-AID AND OPTICAL LENS BENEFIT UNDER THE AETNA AND BLUE CROSS WRAPAROUND PLUS PLANS

1. Reimbursements to be made by Aetna or Blue Cross WrapAround Plus in regard to hearing-aid and optical lens claims will be subject to the normal deductible and co-payment requirements of these plans.
